

## **BTP2BR\_T\_21**

### **Basic Theoretical Terms**

Wednesday 8.00–9.40

Venue: Lecture hall II. Main Building

**Instructors: Bényei Tamás (some individual classes conducted by Győri Zsolt, Hudácskó Brigitta, Kalmár György, Séllei Nóra, Ureczky Eszter)**

Rather than introducing theoretical and critical schools, this course – refurbished in format as well as content – will concentrate on certain important terms and problems that we consider to be relevant not only to your studies but also to our wider environment and even to our everyday life.

The course will conclude with a written examination.
